Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee. BOD 1/17/15 Effective 12/1/15.

52. **VETERINARIAN PERMITS**: No veterinarian other than the official show veterinarian will be permitted to treat, medicate, or attend to a horse on the grounds without the express written permission of the Show management and official veterinarian. Exhibitors wishing to use another veterinarian must obtain a permit for that veterinarian from the show office, complete permit designating the farm or training stable the veterinarian will be working for, and submit a copy of said permit to the official show veterinarian and a copy to the show office. Any veterinarian treating horses, that fails to comply with this required course of action, will be expelled from the show grounds. A fee of $400 will be charged for the run of the show for an outside veterinarian who practices on the show grounds. Veterinarians agree to abide by all AHA, USEF and USDF regulations and rules. Failure to register with the official show vet and/or failure to follow the above rules will result in reports being filed with AHA and USEF. Outside Chiropractors see rule 53 below.

53. **CHIROPRACTOR PERMITS:** Any Chiropractor (other than the designated show vet) wishing to conduct business on the horse show grounds – whether working on horses or humans needs to register with the horse show office and pay a fee of $400 to Region 15 - PRIOR to commencing work on clients.

54. **WASHING OF HORSES:** Horses are to be washed only in the wash rack areas. Horses stabled in the temporary stalls are to use wash racks in the permanent buildings. Blocking or covering wash racks, in any way, other than by VHC employees, is prohibited.

55. **WEATHER CONDITIONS:** In case of threatening or undesirable weather conditions, the Show Management reserves the right to move classes into the covered arena for competition. In case of severe weather conditions, the Show management reserves the right to delay or postpone classes until it is deemed safe to resume competition.

56. **All USEF** Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.

USDF STATEMENT ON ANIMAL WELFARE

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a member- ship of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This,in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

I AGREE for myself, my heirs, executors, administrators, successors and assigns to release AHA, the Competition, the facilities leased by the Competition and the owner(s) of the facilities, and all of their respective officers, officials, directors, employees, agents, personnel, volunteers, affiliated organizations and insurers (collectively, the "Released Parties") from any and all claims for damage, loss, or injury to myself, other persons, horses or other property belonging to me to the fullest extent permitted by law that arises out of or relates in any way to the Competition and my participation in the Competition INCLUDING, BUT NOT LIMITED TO, DAMAGES, LOSS, OR INJURY RESULTING FROM ANY ACTS, FAILURE TO ACT, NEGLIGENCE OR NEGLECT OF OTHER ENTRANTS, THE RELEASED PARTIES, THEIR CONTRACTORS OR INVITEES, as well as for theft, vandalism, fire, other casualty damage, or damage arising out of any defects in the premises.

I AGREE to indemnify and hold harmless (that is pay all losses, damages, attorneys fees and costs of) the Released Parties from and against any and all claims, demands, penalties, actions, losses, costs, damages, injuries, liabilities and obligations (including attorneys fees) of whatsoever kind and nature, which may be asserted against or incurred by any of them as a result of (1) my participation in the Competition or (2) any act, failure to act, or neglect (a) by me, my agents, employees, riders, handlers, trainers, coaches, drivers, contractors or invitees, or (b) by any animal owned or exhibited by me or in my custody or control.

I AGREE and represent that I am qualified and eligible to enter and/or participate in the Competition, and every horse I am entering is qualified and eligible as entered.

I AGREE to accept AS FINAL any decision of AHA, the Show Commission or Show Officials concerning my qualification or the qualification of my horse to enter the Competition or any results of the Competition, except to the extent that the Rules of AHA, the Competition, EC or USEF Equestrian permit a protest or hearing of such decisions. Should a hearing be requested, I agree to accept AS FINAL the decision of the particular hearing body. This competition is recognized by USDF for 2021

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the $5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year ($90), 5-years ($360), or life ($1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year ($72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM ($240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of $35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the $5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses ($35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of $80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR ($115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
