

# Leaving a Legacy

## VHCF Planned Giving

FOR NEARLY FOUR DECADES THE VIRGINIA HORSE CENTER has celebrated the equestrian arts and their cultural and economic contributions to the Commonwealth of Virginia. We know just how deeply horsemanship runs in the hearts of Virginians. Nowhere else does such passion express itself more profoundly than at the VHC where each season finds us hosting generations of families, renowned stables, and riders ranging from children to Olympians in every equestrian discipline as they pursue their dreams and ambitions. Thanks to our donors and benefactors, we continue to provide a world-class competition facility with a small-town ambiance, surrounded by the unparalleled beauty of Virginia's famed Shenandoah Valley. As a friend of the Virginia Horse Center, one of the most impactful contributions you could make would be a bequest in the form of a planned gift from your estate. Leaving a legacy for others, in a sense, continues your involvement by assuring the Virginia Horse Center remains strong and resilient for horse lovers in perpetuity. What a meaningful way to honor the memories you have of competing at the VHC.

Whether in the form of a cash bequest or by designating the VHC as a beneficiary in your retirement plan or life insurance policy, your thoughtful contribution will help ensure our presence for generations to come. \* We welcome your inquiries and look forward to working closely and confidentially with you and your advisors in creating a Planned Gift suited to your desires and circumstances. For additional information, please contact our Development Office at [giving@horsecenter.org](mailto:giving@horsecenter.org).

\*We recommend all benefactors consult with their tax and estate planning professionals prior to making a gift to the VHC.
