### Nutrena is the Official Equine Feed of the Virginia Festival of Champions

The [Virginia Festival of Champions](#) is proud to announce that [Nutrena](#) is the Official Equine Feed of the series which benefits the [Virginia Horse Center](#).

The Virginia Festival of Champions starts with the Lexington Spring Premiere AA on April 27 – May 1 followed by the Lexington Spring Encore from May 4 through May 8 at the beautiful Virginia Horse Center in Lexington, Virginia. The Festival of Champions concludes August 10-14 with the Lexington National Horse Show.

Nutrena will be the title sponsor of all Welcome classes for the 2022 Virginia Festival of Champions shows which take place Thursdays in the Dee Dee Arena during the Festival of Champions. The \$10,000 Nutrena Welcome Classic will be the first installment of their title sponsorship scheduled for Thursday, April 28th.

Nutrena is unique in its disciplined, scientific approach to animal nutrition. At the Cargill Animal Nutrition Innovation Campus located on 900 acres of land in Minnesota, their expert team of scientists includes more than 75 PhDs from all over the world focused on one thing: using sound science to create superior nutritional solutions.

At Nutrena, they know it takes optimum nutrition to feed your horse for proper development, overall health and performance ability. While others only consider ingredients – they focus on nutrients. That's why their horse feed solutions are formulated to deliver the right balance of nutrients your horse needs every day.

Peak performance means different things to different horse owners. If you ride a horse in competition, Nutrena has a horse feed that will help your horse achieve peak power and stamina. If trail riding with a companion horse is more your style, they have the perfect horse feed to keep your horse in tip-top shape and ready to ride.

Nutrena horse feeds are specially developed to provide the right blend of nutrition and energy for your horses at every age and activity level, so you get peace of mind they are properly fed and cared for.

Nobody knows horses and the people who own them better than Nutrena. They use the latest technology to connect with their customers, collaborate and develop the nutritional solutions they want and need. To discuss your horse's specific nutritional needs, ask a Nutrena consultant. To buy Nutrena horse feeds, visit the Nutrena dealer near you.
