Spring is here, and the Virginia Horse Center is ready to welcome thousands to the pride of the Commonwealth! The calendar is packed with VHC-owned events, and the Bonnie Blue National is one of our favorites!

In the past several years, we have made many significant improvements to the VHC. Two complete barn renovations (Famesgate and Bent Tree Farm Barns), boasting new stall fronts, interior ceilings, and mats in all stalls; state of the art arenas and an incredible Cross-Country course with new jumps for our Eventers. Currently, we are finishing up a project to re-surface ALL stalls in ALL barns and add mats to those as well.

Take a moment to relax in our Memorial Park – centrally located between Famesgate and Silverbrook Barns.

A walk or ride up to the top of the hill offers a magnificent view of our facility, nestled among the Blue Ridge mountains. Many donors and friends have made these improvements possible, and we are so very grateful. What a beautiful, safe place to enjoy your horses and some great competition!

The 2024 season is packed with a variety of opportunities to pursue the passion of the relationship between man and horse. We look forward to having you join us.

# Online Entries are available for this show at [www.horseshowsonline.com](http://www.horseshowsonline.com)<[www.horseshowsonline.com](http://www.horseshowsonline.com)>

We are offering online entries through [www.horseshowsonline.com](http://www.horseshowsonline.com).

## ➤ Below are instructions to enter online.

### What you need:

- A free account at HorseShowsOnline. If you don't already have an account you can create one when you click the continue button below. HorseShowsOnline basic member is FREE.
- A record in your account for each person and horse that you will use on show entry forms when you enter a show.

### How do I get started:

1. Login to HorseShowsOnline by clicking the "Member Services" button in the main menu, OR click the continue button below.
2. Once you are logged in, click the "My Horses, People, Shows" button in the member menu.
3. At the People, Horses, Shows page, add any new people and horses to your account as required on the appropriate tab (IE: My People, My Horses). People and horses are saved with your account. Once you have those records in your account you can use them at every show you enter.
4. Click the "Enter show" button to select the show you want to enter and follow the steps in the online entry wizard.

### Steps to enter a show:

- Select the show you want to enter from your "**My People, Horses, Shows**" page on the "**My Show Entries**" tab, or find the show you want to enter in show selector and click the Online Entry icon. This will start the online entry wizard. Make sure you have already created the horses and people in your member account.
- The online entry wizard will guide you through the steps to complete the entry form. The basic steps in the wizard are:
  1. Select the horse, people, and riders for your entry
  2. Select the classes each rider is entered in.
  3. Select the quantity for stalls and other fees.
  4. Confirm your selections
  5. Checkout and submit the show entry.
- The final step generates the completed entry form and submits your entry to the show for review and acceptance. If the show requires a payment at entry time, you will be prompted for your credit card information.

### Tips:

- You can cancel the entry part way through the wizard and resume the entry later on. For example if you need to add more people to your account, or you just want to come back and complete the entry later. Unfinished entry forms are listed in your "My entries" tab and will allow you to edit the entry.
- People and horses you create in your account are saved permanently and can be used in other shows you enter. You only need to add people and horses once and then they can be re-used.
- If a horse or rider is showing in a class where a membership is not required, you can enter 00000 in the membership field.
